

JT Directory/Yabsta is 😊 feeling grateful.

13 m · 🌐

Working alongside the annual Jersey Directory distribution, and with the support of our valued recycle partners, our recycling campaign is now open. Old directories can be deposited for recycling at the following locations:

- Jersey Post (Rue des Pres HQ & Broad Street)
- The Channel Islands Co-operative Society (Grande Marché stores, St Helier & St Peter)
- La Collette Household Reuse & Recycling Centre
- Island Parish Halls except for Grouville and St Clement who are unable to take part this year.

The closing date for the recycling campaign is Wednesday 30th June. All collected books will then be returned to our printer for processing into new paper products.

Let's do this together

Thank you for your support with our recycling campaign.
