

Closer to Home is a community event, where you can meet friends over tea and cake and chat to a variety of services and charities on the Island – **all in one place.**

Join us for our next Closer to Home event for over 55's and families

Thursday 7 September at St Ouen Parish Hall 3pm-7pm

Come along and take the opportunity to socialise over free tea, coffee and cake while finding out more about the community and charitable organisations that are available to you.

There are free arts and crafts activities and yoga to get involved in. Jersey Electricity will also be available to do Portable Appliance Testing on electric blankets.

Spaces are limited for the free activities:
