

Meeting of St Ouen's Roads Committee

19 February 2025 at 15:00

[Redacted], La Cache de l'Eglise

In Attendance:

- Richard Honeycombe, Connétable (RH)
- Richard Michel – Roads Committee (RM)
- Jack A'Court – Roads Committee (JA)
- Martin Le Maistre – Roads Committee (MLM)

Daryn Cleworth, Parish Secretary Designate & Minutes

[Redacted] – Resident of [Redacted]

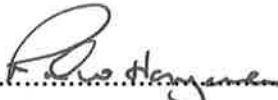

A site meeting was held at La Cache de l'Eglise, to discuss the road subsidence at the boundary of the entrance to [Redacted] and the Parish by-road.

An inspection of the stones around the property boundary was carried out. JA commented that the relief of the property had never been tarmacked. RM highlighted that the trench was very close to the road, and that vehicles from a farm east of the property had previously used the road. These vehicles may have caused some of the damage to the roadside. [Redacted] agreed and added that, whilst being a small country by-road, it did get used by a lot of commercial traffic.

The Connétable opined that the damage had been caused by the commercial vehicles that had been accessing the site. RM pointed out the white stones along the entrance boundary that were now clearly visible due to the erosion, and stated that it was the property owner's responsibility to remedy the damage, at their cost, even if it had been caused by a previous owner. He continued that the relief could not be built upon at all.

[Redacted] was happy with the explanation the Roads Committee had provided. He will send a summary of the meeting through to the Connétable by email and would make good the damage at his and the owners of the two remaining cottages expense.

Minutes Approved:.....21...02...2025.....

Signed:.......... Connétable de St Ouen
