

PRESS RELEASE

Announcement to Stand for Connétable

On 22 June 2022, I had the privilege of being elected as Connétable of St Ouen by our electors. Having fulfilled various roles over many years as a member of the Honorary Police, when I was approached by members of both the municipality and the wider public to stand, I couldn't say no.

Now, four years having passed, the time has come to throw my hat in the ring once again and declare my intention to stand for reelection and serve the Parish of St Ouen as its Connétable for a further term.

I have so much more that I wish to do for the Parish, and there are many projects that I want to see come to fruition. I will, of course, be detailing those in my manifesto at the appropriate time.

I would like to thank all the parishioners that have provided so much support over the past four years.

Richard Honeycombe

Connétable de St Ouen
