Beresford House
Bellozanne Road
St. Helier
JE4 8UY

09 November 2026

Dear Residents of St. Ouen,

We are writing regarding the parking arrangement changes in the vicinity of Les Landes School. These changes have been supported after working with the School and the Parish of St. Ouen.

The purpose of the scheme is to improve safety and accessibility in the area, particularly during school arrival and departure periods, by managing parking demand and reducing instances of obstructive or unsafe parking. The measures are aimed at balancing local parking demand and ensuring that the highway operates safely and efficiently for all users.

The new arrangements will be at school drop off and collection times only. These include: Increasing the current ‘drop off zone’ by approximately 35 meters to the south. Between the hours of 8am to 9am and 2:30pm to 3:30pm, this area will be a 20-minute disc zone. Outside of these periods, the area will be free to use as normal.

We would like to reassure parishioners that the scheme will be monitored and that feedback received will be considered as part of any future review.

Yours sincerely,

Network Management Team
